Adult Literacy and Basic Education

If you are an adult either learning in a centre or on your own, you can use the library's large stock of material to help you.

We have books, videos, CDs, DVDs and newspapers on microfilm.

You can use our computers.

You can use our photocopiers.

We often have book displays, talks and recitals, which you may enjoy.

We have regular classes in Basic English and English Language with the VEC.

We have free basic computer classes with FÁS.

We have information about courses and learning.

Computers

All our libraries have computers that you can use. You can use our computers for:

Typing – Free

Printing – 10c, or 50c for colour, per page

Internet – Internet is free for learning purposes. All other internet use, including email is €1.00 per half hour.

Driver Theory Test DVD ROM – Free

Learning Online – Free

You can do online courses at www.nala.ie, www.literacytools.ie and www.writeon.ie

Ask us for more information or to book a computer today.

How to Join the Library

Call in to any one of our seven libraries around Cork city.

Membership is free for students referred by a literacy scheme.

Please bring proof of your address, for example, a phone or gas bill or a driving licence.

You may borrow up to 10 items – books, CDs, DVDs or tapes.

You can keep them for 2 weeks.

You can renew your books by phone at your local branch library.
